Introduction

This booklet provides a list of Trillium Advantage Dual SNP, Trillium Advantage, Trillium Advantage ISNP, Trillium Choice Community ISNP, Trillium Preferred Community ISNP, and Trillium Preferred ISNP's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Trillium Advantage Dual SNP, Trillium Advantage, Trillium Advantage ISNP, Trillium Choice Community ISNP, Trillium Preferred Community ISNP, and Trillium Preferred ISNP's formulary. If you have additional questions, please call our Customer Service at (800) 910-3906, 8 am to 8 pm, 7 days a week. TTY/TDD Users should call (866) 279-9750. Or, visit www.trilliumchp.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Trillium Advantage Dual SNP, Trillium Advantage, Trillium Advantage ISNP, Trillium Choice Community ISNP, Trillium Preferred Community ISNP, and Trillium Preferred ISNP. In most cases, your prescriptions are covered under Trillium Advantage Dual SNP, Trillium Advantage, Trillium Advantage ISNP, Trillium Choice Community ISNP, Trillium Preferred Community ISNP, and Trillium Preferred ISNP only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
