By Completing this enrollment application, I agree to the following:

Trillium Community Health Plan is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: November 15 – December 31 of

every year), or under certain special circumstances. Trillium Community Health Plan serves a specific service area. If I move out of the area that Trillium Community Health Plan serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of Trillium Community Health Plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Trillium Community Health Plan when I get it to know which rules I must follow in order to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

I understand that beginning on the date Trillium Community Health Plan coverage begins, I must get all of my health care from Trillium Community Health Plan, with the exception of emergency or urgently needed services or out-of-area dialysis services. Services authorized by Trillium Community Health Plan and other services contained in my Trillium Community Health Plan Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, **Neither Medicare nor Trillium Community Health Plan will pay for the services.**

I understand that if I am getting assistance from a sales agent, broker, or other individual employed by or contracted with Trillium Community Health Plan, he/she may be paid based on my enrollment in Trillium Community Health Plan.
